RE: INDUSTRIAL BELTS FROM JAPAN (A-508807)

Pass to all import specialists, customs brokers, and other interested parties.

1. The Department of Commerce has completed two administrative reviews of the antidumping duty order on industrial belts, parts, and components thereof, from Japan. The final results were published in the Federal Register on January 10, 1994.

2. Accordingly, for shipments of industrial belts, parts, and

components thereof from Japan which were entered for consumption or withdrawn from warehouse for consumption on or after January 10, 1994, the U.S. Customs Service shall collect a cash deposit equal to the rate for each of the manufacturers/exporters listed below:

Manufacturer/ Exporter	Case Number	Rate (percent)
Bando Industries	A-588-807-001	93.16
Mitsuboshi Belting Ltd.	A-588-807-002	93.16
Nitta Industries	A-588-807-003	93.16

These cash deposit rates are unchanged from the final results of the previous administrative review.

3. For any entries of this merchandise by an exporter not covered in this or any previous administrative review, or in the less-than-fair-value investigation, and who is unrelated to any reviewed firm or any previously reviewed firm, but where a cash deposit rate has been established for the manufacturer (as identified above in paragraph 2), then the cash deposit rate for those entries shall be the rate established for the manufacturer.
4. For any entries of this merchandise by a manufacturer or an exporter where neither the manufacturer nor the exporter have been covered in this or any prior administrative review, or in the less-than-fair-value investigation, and who is unrelated to any reviewed firm or any previously reviewed firm, then a cash deposit at a rate of 93.16 percent shall be required.
5. This cash deposit requirements will remain in effect until publication of the final results of the next administrative review.

6. Do not liquidate any entries of this merchandise included in these administrative reviews until appraisement instructions are received.
7. If there are any questions regarding this matter by Customs officials, please contact the Trade Compliance Division, Antidumping/Countervailing Duty Branch via E-mail using attribute HQ OAB. Other interested parties should contact Charles Vannatta at (202) 482-5253 in the Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce.
8. There are no restrictions on the release of this information.
